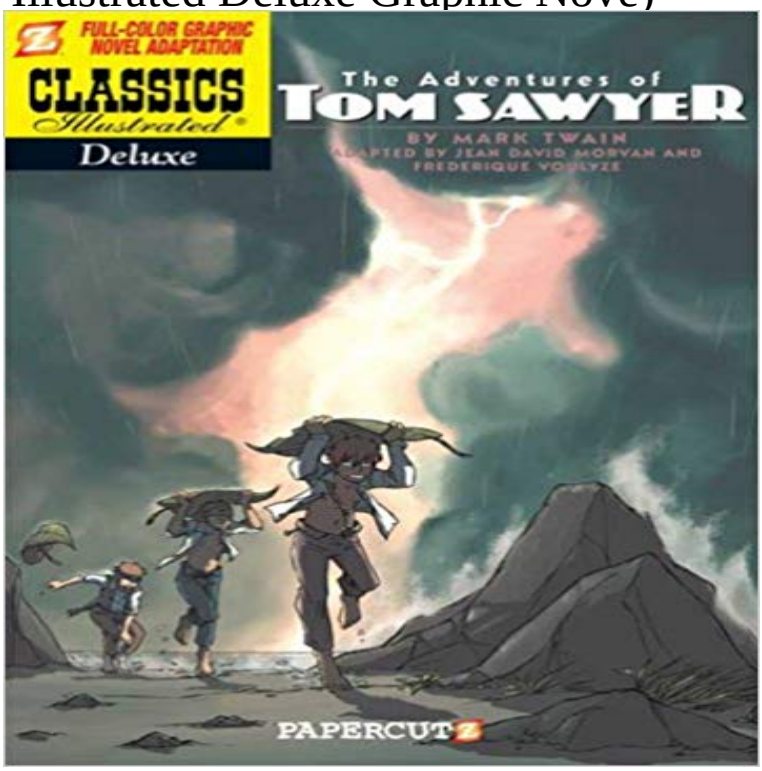
Classics Illustrated Deluxe #4: The Adventures of Tom Sawyer (Classics Illustrated Deluxe Graphic Nove)



Presenting Mark Twains timeless stories of Tom Sawyer and his friends Joe Harper and Huckleberry Finn, brilliantly brought to graphic novel through Frederique Voulyzes vibrant art. Sawyers adventures including pirating on the Mississippi River, schoolyard fisticuffs, and his genius fence-painting scheme, havent lost any of their appeal over a hundred years after Twain first wrote this classic novel. Almost every young boy or girl fantasizes of tagging along with Tom and Huck, sharing their incredible escapades. Through Morvans adaptation and Voulyzes art, the reader can live the fantasy of exploring the muddy banks of the Mississippi, tagging along with Tom and his friends through experiences that never grow old.
