

## Old Sea Dogs 2: Bragging Rights and Hurricanes

Based on the bestselling hardcover book, *Old Sea Dogs* is a beautiful, heartfelt, inspiring collection of photographs and stories that captures the last of the old sea dogs. Award-winning photographer Andrew Wilson began this adventure in the treacherous waters of the southern ocean, where he became inspired to create a photographic census on the old salty characters who maintain the diminishing craft of seamanship. Armed with his camera, he began travelling by land, sea and air in an attempt to capture the art of the sea before technology advances replace their expertise forever. The result is a vibrant collection of stories featuring stunning photography, compelling tales and moving quotes that documents the last of the worlds Old Sea Dogs.

When Hurricane Irma sprinted toward Miami-Dade County, Jeff Ransom couldnt sleep. He wasnt just worried. The big roots are growing right into the burial mound.
