

Little Men: Life At Plumfield With Jos Boys

The book recounts six months in the life of the students at Plumfield, a school run by Professor Friedrich and Mrs. Josephine Bhaer. The idea of the school is first suggested at the very end of part two of *Little Women*, when Jo inherited the estate from her Aunt March. The story begins with the arrival of Nat Blake, a shy young orphan who used to earn a living playing the violin. We are introduced to the majority of the characters through his eyes. There are ten boys at the school already; Nat, and later his friend Dan, join them, and soon after Nan arrives as companion for Daisy, the only girl. Jos sons Rob and Teddy are younger than the others and are not counted among the pupils, nor are the two girls, Daisy and Nancy.
