Anon, they turn into narrower and steeper staircases, and the night air begins to blow upon them, and the chirp of some startled jackdaw or frightened rook precedes the heavy beating of wings in a confined space, and the beating down of dust and straws upon their heads. At last, leaving their light behind a stair--for it. blows fresh up here--they look down on Cloisterham, fair to see in the moonlight: its ruined habitations and sanctuaries of the dead, at the towers base: its moss-softened red-tiled roofs and red-brick houses of the living, clustered beyond: its river winding down from the mist on the horizon, as though that were its source, and already heaving with a restless knowledge of its approach towards the sea. Once again, an unaccountable expedition this! Jasper (always moving softly with no visible reason) contemplates the scene, and especially that stillest part of it which the Cathedral overshadows. But he contemplates Durdles quite as curiously, and Durdles is by times conscious of his watchful eyes. Only by times,.lbecause Durdles is growing drowsy. As a.e.ronauts lighten the _oad they carry, when they wish to rise, similarly Durdles has lightened the wicker bottle in coming up. Snatohes of sleep surprise him on his legs, and stop him in his talk. A mild fit of. calenture seizes him, in which he deems that the ground, so far below, is on a level with the tower, and would as lief walk off the tower into the air as not. Such is his state when they begin to come down. And as aieronauts make themselves heavier when they wish to descend, similarly Durdles charges himself with more liquid from the wicker bottle, that he may come down the better. The iron
